

Bebauungsplan III - 105-3

Übersichtskarte 1:10000

This is a detailed topographic map of the Garmisch-Partenkirchen area. The map shows the city layout, including streets, buildings, and green spaces. A red rectangle highlights the specific study area located in the central part of the city, near the main railway station and the city center. The map is oriented with North at the top, as indicated by the north arrow in the bottom right corner.
